

## SYTF Scholarship Application

Please be sure to complete this application in its entirety. Applications missing information, including any requested documentation may be denied.

Scholarships are awarded in consideration of need, not based on talent or achievement of the player. Income guidelines to be considered for a scholarship are included on the following page.

Limited funds are available and every year the organization works to secure scholarship funding but it is not guaranteed or implied.

Scholarships may be awarded in various amounts; not all aid is equivalent to full registration. In an effort to help out as many athletes as we can and with the knowledge that there are limited funds, we ask those of you who can afford to utilize our option of a payment plan rather than receiving a scholarship, please do so.

**Please note:** if you are awarded a scholarship you are required to provide a volunteer check and fulfill your volunteer time. If you do not fulfill your volunteer time your check will be cashed.

Please submit the completed application and supporting documents to:

[sytfpublicist@gmail.com](mailto:sytfpublicist@gmail.com)

*Notification of scholarship award, if applicable, will be sent to the applicants within 2 weeks of the deadline. Equipment deposit checks, volunteer deposit checks, and a player jersey are still required even if you are awarded a scholarship. In order to receive your volunteer check back at the end of the season the required volunteer commitment must have been completed.*

**Income Guidelines for Scholarship Consideration**

Should you have any concerns with these guidelines or feel your application should be considered even though you fall outside of these guidelines, please email [sytfpublicist@gmail.com](mailto:sytfpublicist@gmail.com)

Sincerely,  
SYTF Board Members
